Examiner's Reasons For Allowance

1. The following is an examiner's statement of reasons for allowance. References Word and Karaali do not, either singly or in combination, teach and/or fairly suggest the combined claimed limitations of independent claim 15 (renumbered as 1). It is noted that, although the Karaali reference teaches a plurality of stochastic algorithms, Karaali fails to use this plurality in the fashion as currently claimed. In addition, although Karaali teaches n-element Boolean vectors, said vectors do not teach an n-best alternatives list as currently claimed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
